

A wide-angle photograph of the Golden Gate Bridge in San Francisco. The bridge's iconic orange-red towers and suspension cables are prominent, stretching across the frame from the left towards the right. The bridge spans a deep blue body of water, with a small white sailboat visible in the lower center. In the background, the San Francisco city skyline is visible on the left, and a green, hilly peninsula is on the right. The sky is a pale blue with soft, wispy white clouds. The overall lighting suggests a clear day with gentle sunlight.
